**SCHEDULE A  
CASH CONTRIBUTIONS**

- Seed money contributions may be accepted only from individuals. The contributions must be from their personal funds and not from other sources. Each contributor may give up to \$100 in seed money. Lobbyists and lobbyist associates may not make seed money contributions during the legislative session. Members of the candidate's family may each provide up to \$100 in seed money, provided the contributions are from their personal funds.
- Total seed money contributions may not exceed \$50,000 for Gubernatorial candidates, \$1,500 for Senate candidates, and \$500 for House candidates.
- Itemize all cash contributions from contributors who have given you more than \$50 in seed money. Both cash and in-kind contributions count toward the \$50 threshold.
- Enter the occupation and employer for every individual contributing more than \$50 in seed money. If you have requested employment information from the contributor and the contributor has not provided it, indicate "information requested" for the occupation and employer.
- For cash contributions totaling \$50 or less, please enter "total of contributions \$50 or less" and the total amount on this page. Once a contributor has given you more than \$50 in seed money, you must list that contributor separately.

**SCHEDULE A-1  
IN-KIND CONTRIBUTIONS**

In-kind contributions are goods and services (including facilities) that you received at no cost or at a cost less than the fair market value. They include all goods and services purchased for the campaign by the candidate or supporters if the campaign does not expect to reimburse the candidate or supporter. These contributions may come from the candidate, candidate's family, and supporters.

In-kind contributions are subject to the seed money restrictions described on Schedule A.

- Itemize all in-kind contributions from contributors who have given you contributions totaling more than \$50 in this reporting period. Both cash and in-kind contributions count toward the \$50 threshold.
- If you received goods and services at a discount, report the amount of the discount as the fair market value.
- Report the occupation and employer for every contributor who gave more than \$50 in seed money. If you have requested employment information from the contributor and the contributor has not provided it, indicate "information requested" for the occupation and employer.
- For in-kind contributions of \$50 or less, enter "total of contributions \$50 or less" and the total amount on a line on this page. Once a contributor has given you more than \$50 in seed money, you must list that contributor separately.
- Goods that you have retained from an earlier election such as signs are not in-kind contributions to your current campaign.
